Notice To Policyholders Regarding Terrorism Insurance Coverage And Rejection Of Terrorism Coverage

You are hereby notified that under the Terrorism Risk Insurance Act your policy provides coverage for losses arising out of certified acts of terrorism, as defined in Section 102(1) of the Act. The term "certified act of terrorism" means any act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the government by coercion.

You should know that coverage provided by this policy for losses caused by "certified acts of terrorism" is partially reimbursed by the United States government under a formula established by federal law. Under this formula, the United States pays a percentage of covered terrorism losses exceeding the statutorily established deductible paid by us as your insurer. The premium charged for this coverage does not include any charges for the portion of loss covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act contains a \$100 billion cap that limits U.S. Government reimbursement and our liability for losses resulting from Certified Acts of Terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The premium cost for such "certified acts of terrorism" is \$ **25.00**

You have the right to decline this coverage for "certified acts of terrorism." If you choose to do so, you must sign this form and return it in the enclosed envelope within 30 days of the effective date of this policy. If this policy provides primary coverage for general liability and coverage for "certified acts of terrorism" is declined, that declination will also apply to any umbrella or excess policy issued for this policy by any member Company or Exchange of the Farmers Insurance Group of Companies®

Rejection Of Coverage For "Certified Acts Of Terrorism"

I hereby elect to reject coverage for "Certified Acts of Terrorism." I acknowledge that by signing this Rejection of Coverage of "Certified Acts of Terrorism" that I understand and agree that I will not have any coverage for such losses under this policy.

Recent Developments

- A cross-functional team from across the enterprise was established to develop a clear and compelling three-year strategy for Farmers. In June, our new strategy was announced, and implementation is now underway.
- We introduced a new opportunity for Farmers agency owners and their health-licensed agency staff to sell Medicare to eligible customers.
- The Exchanges sold three brokerage entities and the servicing arm of its flood program to a subsidiary of Farmers Group Inc. for \$760 million. The transaction significantly contributed to strengthening the surplus of the Exchanges, while also positioning Farmers agency owners for future growth and improved customer retention.
- We delivered when it mattered most in a year full of catastrophes. In fact, this year alone, we handled nearly 50 large CAT events, including severe storms, a hurricane, wildfires, and winter storms.

Better Together

- Farmers contributed \$5,368,985.83 in charitable giving with 68% of those funds supporting disaster resilience efforts.
- Our employees continue to make a difference in communities across the country, completing 36,908 hours of service across 1,599 causes in 807 communities in 2023.
- Our employees also positively impacted 903 Junior Achievement students in October through exposure to financial literacy and career readiness training. Exceptional feedback has led to an exciting new partnership with Junior Achievement, launching in 2024.

2024 Exchange Update (continued)

FREQUENTLY ASKED QUESTIONS

As a member of Truck Insurance Exchange, we want you to understand the basics of the operation of an Exchange because, as you will see below, you are an owner of the Exchange.

What is an Exchange?

An Exchange is an insurance organization, which operates in most ways like any other insurance company, but with a few key differences. Truck Insurance Exchange was organized under a provision in the California Insurance Code, which allows insureds to "exchange" policies with other insureds. Because the insureds cannot practically be involved in actually issuing policies, collecting premium, paying commissions to agents, etc., they appoint a third party - called an "attorney-in-fact" (AIF) - to perform those duties on their behalf for a fee. That appointment is made through a document called a "Subscription Agreement." You were asked to sign a Subscription Agreement at the time you applied for insurance with Truck Insurance Exchange and that is how you became a member (aka subscriber).

Who owns the Exchange?

You do. Subscribers of the Exchange are owners until such time as they no longer have insurance from the Exchange. Subscribers elect a Board of Governors which supervises the financial affairs of the Exchange and the performance of the AIF in conformity with the Subscription Agreement terms.

Why is an AIF fee paid to Truck Underwriters Association (TUA)?

Under the Subscription Agreement mentioned above, members appoint TUA to perform certain of the tasks, such as policy issuance and collection of premium, which are involved in running an insurance operation. The Subscription Agreement specifies an AIF fee of 20 percent of premium, although TUA has taken less than that amount.

What is TUA?

TUA is a wholly owned subsidiary of Farmers Group, Inc. (FGI), which is part of the Zurich Insurance Group, Ltd (ZIG), a Swiss company. Neither TUA, FGI nor ZIG has any ownership interest in Truck Insurance Exchange, which is owned by its subscribers (insureds).

How was your premium dollar spent by Truck Insurance Exchange in 2023?

Your premium dollar covers Exchange costs including losses incurred, acquisition costs, taxes, license fees, the AIF fee, and any contributions to surplus. For 2023, the AIF fee was 14.0% of the premium dollar, which included the AIF profit of 7.08% of the premium dollar for that year.

Can the Exchange lose money?

If premiums collected exceed claims payments and other expenses (including the fee for the AIF), then the Exchange retains those net premium earnings (as contributions to surplus). If premiums are not sufficient to cover claims and expenses, the Exchange will lose money. That's one reason it is important to build surplus to pay future losses. The AIF does not participate in claims losses and does not enjoy any net premium earnings. Importantly, subscribers are not responsible for any losses the Exchange might suffer.

How can I exercise my right to vote?

You may exercise your voting rights in any of the following ways:

1. By attending the annual members meeting in Woodland Hills, CA on March 18, 2025, at 2 PM,
2. Electronically through your Farmers.com account (voting will be available from January 1, 2025, to March 7, 2025, and you will be required to create a Farmers.com account if you do not already have one), or
3. Through mail by requesting a paper proxy from the Subscriber Relations Office (completed proxies must be received by March 7, 2025)

Where can I get more information about the Exchange, or obtain a paper proxy?

You can go to www.farmers.com/about-us for most questions. If you have additional questions or want to obtain a paper proxy along with a postage paid envelope to confidentially return your proxy, please contact:

Federal share of terrorism losses	<u>80</u> % Year: 20 <u>25</u>
(Refer to Paragraph B. in this endorsement)	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

B. Disclosure Of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part II of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.
